

RIESLING GROSSES GEWÄCHS dry

Bürgergarten "Im Breumel"

TASTING NOTE

The age-worthy Riesling wines from this prime section of the Haardt Bürgergarten are characterised by the optimal balance between a concentrated Riesling fruit, lingering minerality, a delicate elegance and an elaborately interwoven, long finish - Riesling to perfection.

AWARDS

2022 James Suckling: 97/100 "Deep nose of fully ripe peaches, orange blossom and dried flowers. Very concentrated and no less precise, it is the astonishing elegance of this wine that pulls you back again and again. Super-long finish that's tightly wound and extremely subtle." | Weinwisser: 18/20 "The Bürgergarten "Im Breumel" 2022 initially seems sweet on the surface, almost a bit simple, with limited depth and breadth in the smell. In the mouth it shows a good, racy structure, is very smooth and clear, with excellent fruitiness and fullness. Good length and depth at 12.5% ABV. Nice, not too complicated and yet sophisticated." (2024–2034)
