
HORST WEGENER "MÜLLER-CATOIR"

music video | release: 23.09.2022

In a celebratory mood - there were a few bottles of Müller-Catoir wine involved - rapper Horst Wegener and his team came up with the idea for the song "Müller-Catoir". In addition to Wegener's favorite winery in the song title and a love story above the clouds, the song also features Wuppertal newcomer DWAN, the first signing of Wegener's label WUPPERwerft Studios.

Horst Wegener was born in Quito, Ecuador in 1997 and now works as a rapper, songwriter and film producer in Wuppertal. With his debut EP "Mein Name ist Horst", which was released by Samy Deluxe on the KunstWerkStadt label, Horst Wegener received national and international attention for the first time.

The video shoot took place on September 4th, 2022 at the Müller-Catoir winery.
