An anniversary that not many can celebrate: On January 28, 2023, the Neustadt Liedertafel is holding its 125th Herrenwein evening in the Saalbau. It goes without saying that the wine had to be selected even more carefully than usual.

16 applicants competed in the men's wine tasting at the weekend, and in the end the winery **Müller-Catoir** from Haardt, or rather its 2021 MC Riesling, won the race in a blind tasting. The wineries Peter Stolleis, Gimmeldingen, and Hammer-Sommer, Königsbach, shared second place.

The lion roars

The chairman of the Liedertafel, Frank Sobirey, is of course also pleased that the men's wine evening and its legendary "Lewwerworscht charade" can probably be celebrated again. This explains the motto for January 28th almost by itself: "On the occasion of the jubilee the lion roars and Bacchus refills the glass for us."

And the usual guest of honor? According to the Liedertafel, the former Prime Minister of Rhineland-Palatinate, Kurt Beck, has agreed to do so.
