2020 Haardt Muskateller is Germany's best!

In the edition of James Suckling's "TOP 100 VALUE WINES OF 2021 (\$35 OR LESS!)" published yesterday, our 2020 Haardt Muskateller is listed as the best wine from Germany (95 points | 14th place). Comment: "Absurdly strong for a village wine, this has a truly mind-boggling nose of exotic fruit (star fruit, passion fruit and mangosteen) and tropical flowers. A dry white essence of the muscat grape with lightning strike freshness that dazzles with its concentration and delicacy. Nature is strong!"
PS: Its "bigger brother", the 2020 Bürgergarten Muskateller, was recently rated with a sensational 99 points and thus ranks among the very best of its kind worldwide.
