
RIESLING
dry
Bürgergarten

TASTING NOTE

Plant-based, floral, citrus and stone fruit scent, densely packed with minerals. Tangy lemons, green apple and quince. Freshly mown flower meadow with an exuding scent of green grass. Strong fruit acid with a well-structured body of freshness and delicacy. Almost incisive minerality under this juicy fruit packed with herbs. Firm, rather cool type. As the bottle matures, the classy Riesling reveals more of the creamy yellow fruit.

AWARDS

2019 James Suckling: 96/100 Points (TOP 100 WINES OF GERMANY 2020) "There's so much peach and apricot beauty in this glass of dry riesling that you feel thankful to the power of nature that made it possible. So deep and so vibrant, but it's the elegance that makes it shine like a diamond. Very long, silky finish that doesn't want to let go. From organically grown grapes. Drink or hold." | Robert Parker: (91-92)/100 Points "The 2019 Bürgergarten Riesling is clear and dusty/stony on the pure and puristic yet aromatic and distinctive nose that shows notes of crushed stones as well as ripe ..."
